eFORMz

The All-In-One Tool
Built Specifically For Supply Chain Execution

Why use one solution for barcode labels, another tool for packing lists and still another tool for generating shipping labels? Instead of using multiple tools why not use just one? *eFORMz®* is one tool that does the job of many.

ShipFX®: The eFORMz® App That Delivers

ShipFX® delivers feature-rich multi-carrier shipping for both parcel and freight. Choose from over 100 carriers including FedEx, UPS, USPS, DHL, Purolator, TNT, Canada Post or OnTrac. Eliminate traditional ship stations and multiple logins. *ShipFX®* automates your shipping process based on business rules you define. Use ShipFX to rate shop your preferred carriers to ensure you are getting the most out of your shipping dollars.
